AMENDMENT

Honorable Commissioner of Patents and Trademarks,  
Washington, D.C. 20231

SIR:

Prior to the examination, kindly amend the above-identified application as follows.

**In the claims:**

Please add the following claims.

7. The minivan as set forth in claim 2 and further including means for dynamically braking the folding ramp during extension.

8. The minivan as set forth in claim 7 wherein said means brakes the fall of the ramp while the ramp is extended manually.

9. The minivan as set forth in claim 8 wherein said means includes a resistor for dissipating current generated by said motor.

10. The minivan as set forth in claim 9 wherein said means includes a diode in series with said resistor for blocking current through said resistor when said ramp is raised manually.

REMARKS

Claims 7-10 are added to more fully define applicants' invention.

An early and favorable examination of claims 1-10 is respectfully requested.

Respectfully submitted,

Paul F. Wille
